3/ Tiếp tục process tạo 1 candidate account và navigate tới Dashboard

The screenshot shows the Schroie dashboard for a user named '12'. The left sidebar contains navigation links for 'Your accounts', 'Manage' (with sub-links for 'Edit profile', 'Accounts & billing', 'Change password', and 'Log out'), and 'Link an account'. The main content area has a header 'Hello 12' and tabs for 'Dashboard', 'Connect', and 'Events'. Under the 'Dashboard' tab, there are two sections: 'Your profile' which shows a placeholder for a profile picture and a button to 'Edit your profile', and 'Notifications' which states 'You don't have any notifications at this time. Notifications will display here once you start using the system.' Below these is a section titled 'Your tasks requiring action' which contains a large blue box with the heading 'Complete your candidate profile'. This box includes the instruction 'Simply click on the section below to complete your profile to become visible to schools searching for you in Connect.' and a row of six icons representing different profile sections: 'Personal Details', 'Degrees & Registrations', 'Career', 'Housing & Visa', 'References', and 'Status/availability date'.
